Plaintiff,

v.

, et al,

Defendants.

Civil Action No. 17-1432-LPS

MOTION FOR Temporary Restraining Order

My weight is still dropping. I am at an unhealthy weight. I have additional medical and mental issues such as terminal insomnia, migraines, stomach pain, constipation, acid reflux, bloating, nausea, hunger pains, depression, anguish, anxiety, and stress.

I fear if the court does not intervene promptly my next suicide attempt will be successful to end my pain, I will find a way to castrate myself causing potential death from bleeding to force HRT's and/or I may be forced to resort to selling my body just to eat. I do not want to do these things.

I'm not asking for wants. On 7/7/17 their own Doctors have recommended HRT's. And JVCC religious leader

(1)

chaplain Gus Christo of religious affairs
approved my Vegan Tray as religious.
The HRT recommendation was made by
Dr. August.

The entry by Dr. August in my
files cannot be denied and I'll release
my files to the court.

In addition, your honor your
welcome to call FR. Christo to verify
my approval.

I am asking the courts to grant a
TRO preventing DOC and Connections
from NOT providing a sufficient
Calorie Vegan Religious tray three times
daily AND the, at least, lowest
Starting dosages of feminizing
HRT's by recommendation of an
Endocrinologist.

Thank you.
